The Unique EDGE®

Give an 18- to 24-year-old a head start with the Strategic Coach® tools that work for you.

What is The Unique EDGE®?

A one-day, hands-on workshop designed specifically for 18- to 24-year-olds. Participants receive a set of full-strength tools from the Strategic Coach® Program that focus on building confidence and capabilities whilst helping them create achievable action plans!

How does it work?

Along with an experienced coach and a group of dynamic, motivated peers, participants will:

- Design their Bigger Future™, then develop a practical strategic plan to realise it.
- Boost their confidence about themselves, their abilities, and their potential.
- Discover the unique talents that will distinguish them and produce consistent results and rewards—regardless of what life throws at them.

Who should I send?

Sons, daughters, nieces, nephews, people you know through your organisation or community—give them the power to create meaningful, sustainable success for a lifetime!

“The past few months have been a difficult time in my life as I’m trying to set my goals in motion. After being in this workshop, not only have I met people who have helped me strategize about my goals, but I put those goals on paper and set a plan. This workshop has been such a rewarding experience.”

Kristina Pellegrini

“Everyone should do this! It builds confidence, relieves stress, and gets you extremely excited and clear about the future.”
